MOVING ON UP						
Moving On Up - Project Costs		Moving on Up is a joint initiative with City Bridge Trust, supported by BTEG, to increase the employment rates of young black men in London.	The Trust has allocated funds towards additional costs of the Moving On Up Initiative including a launch event, communications and the advisory group.	19,950	1	London-wide
Moving On Up Evaluation (Young Black Men and Employment)		TSIP is the lead partner in Project Oracle, London's first children and youth evidence hub, funded by the Greater London Authority, the Mayor's Office for Police and Crime and the Economic and Social Research Council.	The Trust provided funding to provide evaluation support at Project and Programme level for the Moving On Up Initiative.	83,460	1	London-wide
Moving On Up - Internship Programme		Moving on Up is a joint initiative with City Bridge Trust, supported by BTEG, to increase the employment rates of young black men in London.	The Trust provided funding for an Internship Programme to support the work of the funded projects within the Moving on Up Initiative. The Programme will provide funding for paid internships (to be paid at the London Living Wage) for 6-9 months.	105,000	2	London-wide

Organisation	Website	Description of Organisation	Description of Project	£	Period	Borough
Action Acton	www.actionacton.com	Action Acton promotes economic and community regeneration in Acton, Ealing and adjoining West London boroughs.	The Trust provided funding to establish the Roots Recruitment Agency, which will pilot innovative employment services for 'job ready' young black men, to tackle the barriers to employment. The project will provide personalised, professional job search support in conjunction with active engagement with employers to source job opportunities.	120,100	2	London-Wide
Black Training and Enterprise Group - BTEG	www.bteg.co.uk	BTEG is a national organisation providing a voice to government and other policy makers for black and minority ethnic service providers working in the field of training and employment. It also provides technical assistance support for voluntary and community organisations and public bodies.	The Trust provided funding towards strategic support for the Trust's Moving On Up Initiative, to increase the employment rates amongst young black men in London. This will include undertaking policy influencing work, liaising with relevant government departments, promoting learning from the funded projects, and co-ordinating the advisory group.	80,000	2	London-wide
Elevation Networks Trust	www.elevationnetworks.org	EN seeks to develop the leadership potential of young people to increase their employability. It focuses on groups that are traditionally underrepresented within the labour market and in certain industries.	The Trust provided funding for the Lambeth 360* project, an employability programme for young black men aged 16-24 who are actively seeking work. 360* will comprise of a 'job-readiness' training course and a mentoring circle made up of a senior leader and employee from a leading recruiter. The courses will run in partnership with Business in the Community's Race for Opportunity and JobCentre Plus across the borough of Lambeth.	132,000	2	Lambeth
Hackney Council for Voluntary Service	www.hcvsv.org.uk	Hackney Council for Voluntary Service is the borough's voluntary and community sector support agency. It achieves this by giving them access to skills, knowledge and resources necessary to respond to the needs of local people, especially those most in need.	The Trust provided funding to support a local Partnership that will provide an innovative approach to getting young black men closest to the labour market into employment through provision of: youth-led motivational workshops; community-based employment support aimed at building confidence and employability skills and; linkage to local black-led business networks and mentoring opportunities.	118,230	2	Hackney
London Youth	www.londonyouth.org.uk	London Youth is a network of 400 youth groups. Its mission is to support and challenge young people to become the best they can be, placing emphasis on those who would not otherwise access the kind of opportunities it offers.	The Trust provided funding to expand and replicate the Build-it construction-skills employability programme for young people. The on-the-job experience and personalised support it provides, and the targeted communities in which the project runs, result in strong employability outcomes for young black men.	119,000	2	London-wide
Making The Leap	www.meakingtheleap.org.uk	Making the Leap focuses on the aspirations of young people, helping them to develop the skills, behaviours and attitudes needed to succeed in the careers of their choosing. It provides training, coaching and mentoring support to young people.	The Trust provided funding towards working with 100 young Black men who have achieved some level of academic attainment, to put them through a Future-skills programme. This will provide individual career coaching and assistance to pass psychometrics tests to enable at least 50 of them to progress into a life-changing career.	113,040	2	London-wide

Organisation	Website	Description of Organisation	Description of Project	£	Period	Borough
Step Ahead	www.stepahead.co.uk	Step Ahead works in close partnership with London employers to support unemployed people from a wide range of backgrounds into gainful, sustainable employment; supports them whilst in their new jobs, working with them and the employer to train, upskill and deliver recognised qualifications to maximize career potential.	The Trust has provided funding to engage with 150 young black men on a focused support programme delivered by the partnership, resulting in 75 into paid jobs of which 60 are sustained (6 months plus) by tackling negative perceptions surrounding this cohort.	147,680	2	London-wide
