

Funding List 2016

Employment

Organisation	Website	Description of Organisation	Description of Project	£	Years	Borough
Beyond Youth	www.beyondyouth.org.uk	Beyond Youth provides training and support as part of a therapeutic model, to empower people in positive decision making, build self-belief and encourage stronger individuals and communities.	The Trust provided funding to contribute to the Chance2Change employment support programme aimed at young people transitioning from care to independent living.	50,000	2	London-wide
CareTrade Charitable Trust	www.care-trade.org	CareTrade exists to create innovative opportunities for adults with autism and to change perceptions of autism in the wider public.	The Trust provided funding to develop and evaluate a new model of holistic and supported employment specifically designed to enable adults with autism to improve their wellbeing, become work-ready and gain sustained employment.	80,000	2	Southwark
Four Corners	www.fourcornersfilm.co.uk	Four Corners is a centre for film and photography, based in Bethnal Green, East London. It provides skills, production and exhibition opportunities to support people from diverse, under-represented backgrounds into careers in creative media, promote artistic practice and new work, and engage broad audiences through participation and cultural events.	The Trust provided continuation funding towards the Film Futures programme. This aims to work with industry employers, providing specialist mentoring, paid placements, advice and skills, supporting participants into better, well-paid employment and building a model of good employer practice.	75,000	2	London-wide
London Voluntary Service Council	www.lvsc.org.uk	LVSC brings together London's voluntary, community and social enterprise (VCSE) organisations to learn, share best practice and create a co-ordinated voice to influence policymakers. It aims to be a central resource, act as a collaborative leader and enable the sector to deliver the best services for Londoners.	The Trust provided continuation funding to support the London Employment & Skills Network (LESPN); including carrying out research, influencing strategic regional policymakers, engaging with sub-regional employment and skills structures and opening discussions with other sectors over VCSE sector service delivery.	149,500	3	London-wide
Mind in Haringey	www.mindharingey.org.uk	Mind in Haringey exists to support anyone affected by mental health issues in the borough to improve their lives.	The Trust provided funding towards a programme of employment support for people with enduring/moderate mental health using the IPS model (Individual Placement Support). In addition, the aim is to encourage employers to become 'Mindful Employers', providing placements, changing attitudes and improving practice.	40,000	2	Haringey

Organisation	Website	Description of Organisation	Description of Project	£	Years	Borough
Only Connect Group	www.onlyconnect.london	Only Connect is a London based creative criminal justice charity, rooted in the community. It delivers projects that build strengths, raise aspirations and cuts crime.	The Trust provided funding to improve job retention amongst ex-offenders.	40,650	3	London-wide
Partnership for Young London	www.partnershipforyounglondon.org.uk	Partnership for Young London is London's infrastructure body for young people's services, striving to promote, support and improve young people's well-being across the capital. It does this by connecting key partners to collaborate on outcomes for young people, developing the knowledge and skills of practitioners and influencing policy and practice.	The Trust provided funding towards the '25% of the Population, 100% the Future' programme. This programme will focus on youth-led campaigns, policy change, and innovative solutions supporting access into work, making London a 'youth friendly' employment capital.	89,000	2	London-wide
Re-Instate	www.re-instate.co.uk	Re-Instate exists to improve employment opportunities, quality of life and well-being for disadvantaged people in Bexley including people experiencing mental ill health.	The Trust provided funding for job retention support for people experiencing mental ill health with a focus on early intervention via primary care; and for a targeted campaign to increase awareness of the benefits to job retention of early intervention.	50,000	2	Bexley
Royal Docks Learning & Activity Centre	www.rdlac.org.uk	Royal Docks Learning & Activity Centre is a multi-purpose voluntary organisation which is firmly rooted in its local community. It offers a range of activities for local residents of all ages and backgrounds, from exercise to after-school clubs.	The Trust provided funding towards a new project to support low income workers to develop skills and opportunities for job progression and higher pay.	75,000	3	Newham
The Big House Theatre Company	www.thebighouse.uk.com	Big House Theatre delivers a programme of workshops, drama, psychotherapy and long term support to care leavers, to transform their lives, equip them with the skills needed to become job ready, lead independent lives and fulfil their potential.	The Trust provided funding towards a programme of intensive support for care leavers including mentoring, pastoral support and help in securing and sustaining employment and higher education opportunities.	24,000	2	London-wide

Organisation	Website	Description of Organisation	Description of Project	£	Years	Borough
Urban Partnership Group	www.upg.org.uk	Urban Partnership Group is a community and regeneration organisation offering a wide range of education, social and welfare activities in West London.	The Trust provided funding towards continuation funding for the Career Enhancement Project. The aim of the project is to recruit 60 people working in low paid jobs and living in poverty. Through specialist Career Advice and Guidance from UPG's advisor, the participants will hopefully move into higher paid jobs and out of poverty.	60,000	2	Hammersmith and Fulham
Vital Regeneration	www.vitalregeneration.org	Vital Regeneration's mission is to create life changing learning, employment and enterprise opportunities, enabling people and communities to realise their potential and reduce inequalities. It works with people experiencing homelessness to co-create and deliver innovative programmes to increase personal and household incomes and enables them to access decent, and affordable stable housing.	The Trust provided funding to enhance the HELP In Work Progression provision by developing a tool kit to sit alongside advice supporting a further 60 low paid, low skilled workers', in temporary accommodation. The project aims to help them make the transition from low-paid work to better-paid employment and a further step away from homelessness.	80,000	2	London-wide
TOTAL				813,150		

Advice

Organisation	Website	Description of Organisation	Description of Project	£	Years	Borough
Advice on Individual Rights in Europe - The Aire Centre	www.airecentre.org	The AIRE Centre's work is concerned with the fair and effective application of European human rights law so that every individual, especially the most vulnerable and marginalised, have equal access to justice and can assert the rights to which they are entitled.	The Trust provided funding to address EU migrant homelessness in London through legal empowerment. It will build capacity of frontline homelessness organisations in the area of EU migrants' rights, enabling them to better influence policies affecting this group and prevent EU migrant homelessness through training statutory agencies and decision makers.	100,000	3	London-wide

Organisation	Website	Description of Organisation	Description of Project	£	Years	Borough
Asylum Aid	www.asylumaid.org.uk	Asylum Aid advocates for asylum rights in the UK and Europe, to secure protection from persecution for individual refugees, and to secure significant structural improvements to the UK asylum process.	The Trust provided funding for the salary of the Legal Services Manager who leads on the delivery and development of Asylum Aid's legal advice, representation and litigation services; manages a programme of sharing specialist knowledge and best practice; and advocates for a fairer asylum system.	90,000	3	London-wide
Bail for Immigration Detainees	www.biduk.org	BID exists to challenge immigration detention in the UK through the provision of legal advice and information alongside research, policy advocacy and strategic litigation aimed at challenging detention policy and practice.	The Trust provided funding for continuation of the provision of legal advice and representation to individuals held in prisons under immigration powers post-sentence; and policy advocacy and strategic litigation aimed at ending the use of prisons for immigration detention.	100,000	3	London-wide
Haringey Migrant Support Centre	www.haringeymsc.org	Haringey Migrant Support Centre runs a drop-in service for migrants (regardless of their immigration status), providing advice and casework for immigration, welfare, housing and community care issues. It also provides destitution support as well as referring or signposting to other specialist organisations supporting migrants with their specific needs.	The Trust provided funding towards the salary costs of a 2-day/week solicitor from Islington Law Centre who will provide advice and representation to vulnerable migrants who can no longer access legal aid, to help them secure status and to enable them to work and access their welfare and housing rights.	50,000	2	Haringey
Harrow Equalities Centre	www.harrowequalitiescentre.org.uk	HEC promotes equality, tackles discrimination and provides immigration advice, hate crime support and equalities training to residents and organisations of Harrow and the surrounding areas. Its activities reflect the full range of equalities areas including age, disability, race, religion and belief, sex and sexual orientation.	The Trust provided funding to provide immigration advice to vulnerable communities living in North-West London. This includes migrants on low incomes, asylum seekers and refugees. It will also train up-to 15 volunteers to give advice at OISC Level 1.	84,000	3	Harrow
Harrow Law Centre	www.harrowlawcentre.org.uk	HLC provides free legal advice and representation to vulnerable local people in social welfare law. It represents people on low income and unable to afford legal representation in courts and tribunals and also regularly lodges judicial reviews to challenge decisions affecting its clients. In addition, it undertakes social policy work to effect wider change locally, nationally and at EU level.	The Trust provided continuation funding for a solicitor specialising in EU law to provide legal advice and representation to EU nationals to access services; assist third country nationals who may rely on EU law such as trafficked people; and to work with the wider voluntary sector to highlight key issues and influence policy makers.	84,500	3	Harrow

Organisation	Website	Description of Organisation	Description of Project	£	Years	Borough
Havering Citizens Advice Bureau	www.haveringcab.org.uk	Havering Citizens Advice Bureau provides free, independent, confidential and impartial advice to everyone on their rights and responsibilities across the whole spectrum of issues people face e.g. employment, housing, finance debt, social care.	The Trust provided funding to increase and consolidate its employment rights advice service with the recruitment of a dedicated adviser to provide legal advice, including casework, in all areas of employment law. This will include supporting clients to prepare for tribunals and in enforcing tribunal awards.	72,000	3	Havering
Islington People's Rights	www.ipradvice.org.uk	Islington People's Rights provides free, high quality independent welfare rights and debt advice services. Its activities are designed to empower local people. IPR focuses its work on the most vulnerable or most excluded.	The Trust provided funding towards the Access+ project. This will build the capacity of local BAMER community organisations to deliver specialist advice services. Access+ will ensure that groups working with communities in London have the skills and support they need to improve their service provision and sustainability.	80,000	3	Islington
Joint Council for the Welfare of Immigrants	www.jcwi.org.uk	JCWI is an independent national charity which exists to provide legal representation to migrants and refugees and to promote justice and fairness in immigration and asylum law and policy. Its objective is to relieve poverty and hardship amongst immigrants and refugees by promoting their human, economic and civil rights.	The Trust provided funding for the continuation of a legal helpline as well as a outreach work through the Red Cross to offer legal advice for vulnerable migrants with unsecured immigration status. Data and evidence will also be gathered on the impact of current legal policies to challenge them as well as legally assist those impacted by securing legal status for them.	162,000	3	London-wide
Just for Kids Law	www.justforkidslaw.org	Just for Kids Law provides holistic representation and support to vulnerable children and young people through child-centred advocacy, legal services and youth opportunities. It also works towards systemic change and promotes the rights of children through strategic litigation, policy and public affairs work, and research.	The Trust provided funding for a new immigration solicitor post to provide specialist legal support to young people in East London, with a particular focus on Redbridge, Barking & Dagenham, Waltham Forest and Newham.	91,000	2	London-wide
Latin American House	www.casalatina.org.uk	Latin American House (LAH) works to facilitate the well-being and integration of Latin American and other Spanish and Portuguese-speaking migrants in London as well as communities in its local neighbourhood. LAH also works to promote the rich culture of Latin America to all communities interested in Spanish and Portuguese languages.	The Trust provided funding for specialist immigration advice, predominantly for Latin American disadvantaged migrants in London. Empowering and assisting service users to obtain lawful residence and recourse to public funds, leading to increased access to employment and higher education, increased income and increased participation in community life.	52,000	2	London-wide

Organisation	Website	Description of Organisation	Description of Project	£	Years	Borough
Law Centres Network	www.lawcentres.org.uk	LCN supports a national network of law centres that work with some of the most vulnerable and disadvantaged people in society through the provision of legal services.	The Trust provided funding to review initial client fee charging schemes established by London law centres and other advice agencies, which will examine successes, financial data, client aspects, and lessons learned. Based on the review, it will develop more detailed guidance and business-related resources and provide direct assistance to advice agencies.	69,000	2	London-wide
Legal Action Group	www.lag.org.uk	Legal Action Group (LAG) is an educational charity which aims to provide greater knowledge of the law through its programme of publications and training for lawyers and advisors. LAG also undertakes policy research on access to justice issues particularly the public funding of legal services.	The Trust provided funding for the London Employment Lawyer App (LELApp) an interactive employment law advice programme devised and written by employment lawyers. It will offer information on employment law, and enable users to take action on issues such as deductions from wages. Users will have the option to access telephone or face-to-face support.	25,000	1	London-wide
Lewisham Refugee and Migrant Network	www.lrmn.org.uk	Lewisham Refugee and Migrant Network exists to provide advice, support and training to the local migrant community.	The Trust provided funding towards the provision of immigration applications outside the scope of Legal Aid and represent clients at Tribunals to regularise their immigration.	60,000	2	Lewisham
Notre Dame Refugee Centre	www.notredamerc.org.uk	NDRC assists and advocates for vulnerable refugees and asylum seekers to overcome difficulties, realise their potential and integrate fully into the UK. It provides immigration, housing and benefits advice; counselling; English classes; health and employment support.	The Trust provided funding for a continuation grant for the salary and associated costs for the Senior Immigration Advisor to maintain the Centre's immigration casework and representation work (at OISC level 3) for refugees and asylum seekers. The Advisor will continue to oversee the advice team, mentoring OISC Level 1 applicants, and providing regular supervision.	100,000	3	London-wide
Praxis	www.praxis.org.uk	Praxis's core purpose is to provide help and support for newly arrived and long-settled migrants to ensure that they are able to live in safety, meet their essential human needs and overcome the barriers they face to integrate, develop and thrive in the UK.	The Trust provided funding to support the salary costs of a specialist Advice and Casework Manager post. The post holder provides essential casework supervision, training and support that enables Praxis to provide immigration advice to help vulnerable migrants secure their rights.	50,000	1	London-wide

Organisation	Website	Description of Organisation	Description of Project	£	Years	Borough
Redbridge Citizens Advice Bureau	www.redbridgeadvicenetwork.org.uk	Redbridge CAB, provides free, independent and impartial advice and information services to those living and working in Redbridge. It is the lead agency for Redbridge Advice Network (RAN), bringing together 32 advice and non-advice giving agencies delivering advice in the area.	The Trust provided funding to employ a specialist Employment Advisor to ensure the employment rights of Redbridge residents are protected. It will enhance local VCS capacity to advise on employment rights issues and promote understanding of rights amongst Redbridge employers and workers.	77,000	2	Redbridge
Royal Courts of Justice Citizens Advice Bureau	www.rcjadvic.org.uk	The CAB is based in the Royal Courts of Justice, and the Central London Family Court and delivers free legal advice to people who cannot afford legal advice or representation. It also delivers the national advice support service for victims of miscarriages of justice.	The Trust provided funding to appoint an Asylum and Immigration Solicitor to respond to asylum miscarriage of justice referrals from the Criminal Cases Review Commission (CCRC) and recruit pro bono advocates to assist litigants in person (LiP) with asylum and immigration cases across its services including the Court of Appeal.	60,000	2	London-wide
South West London Law Centre	www.swllc.org	South West London Law Centres (SWLLC) is a community based legal practice working to relieve poverty, suffering and distress by the provision of legal advice through to representation in social welfare law.	The Trust provided funding for the provision of legal employment advice, casework and representation through a specialist caseworker.	90,000	3	London-wide
Southwark Law Centre	www.southwarklawcentre.org.uk	SLC provides free specialist legal advice for residents of Southwark and surrounding London boroughs. It prioritises the prevention of homelessness, destitution, discrimination, breaches of human rights and poverty. It provides training for local advice and community agencies and campaigns to influence policy makers and promotes human and civil rights.	The Trust provided a contribution towards the salary of the Migrants Rights Solicitor to provide specialist immigration advice to clients; and provide second tier advice and training for frontline workers.	90,000	3	Southwark
Shaka Services	www.shakaservices.org.uk	Shaka Services exists to promote HIV and STI awareness, safer sex practices and advice to people from BME communities in South London.	The Trust provided funding towards the provision of immigration advice and support to families or individuals from BAME communities who are affected by HIV in South London.	44,000	2	Lambeth
Working Families	www.workingfamilies.org.uk	Working Families enable parents and carers of children and young people, especially those who are disadvantaged, to find and remain in work which suits their family's needs. It provides information and advice to working families, supports employers towards a more flexible and family friendly best practice and influences policy makers.	The Trust provided funding to increase the capacity of London advice centres to offer appropriate support or signposting to parents seeking employment advice and increase the number of low income London parents/carers benefiting from its free telephone and email advice on employment rights and in-work benefits including casework.	84,000	2	London-wide

Organisation	Website	Description of Organisation	Description of Project	£	Years	Borough
Your Employment Settlement Service	www.yesslaw.org.uk	YESS promotes the early resolution of disputes between employers and employees, without litigation by offering affordable advice and support to employees, access to mediation, and advice to employers on good practice.	The Trust provided funding towards establishing an interactive website providing a one-stop-shop workplace ADR (Alternative Dispute Resolution) Service called Route to Resolution (R2R). On-line and in-person independent legal advice and access to mediation will be available for each party to help some employees to remain employed and to reduce litigation.	100,000	2	London-wide
TOTAL				1,814,500		

Social Justice

Organisation	Website	Description of Organisation	Description of Project	£	Years	Borough
Centre for Crime and Justice Studies	www.crimeandjustice.org.uk	Centre for Crime and Justice Studies exists to advance public understanding of crime, criminal justice and social harm through partnership, coalition-building, advocacy and research.	The Trust provided funding towards piloting a programme of community and broader engagement in advance of the planned closure of Holloway Prison and the potential closure of Pentonville as test cases. The aim is to identify and model credible policy solutions to affordable homes and the growing prison population.	60,000	2	Islington
Centre for Research in Social Policy, Loughborough University	www.crsp.ac.uk	CRSP carries out social research across the UK, particularly on low income and related issues. At the heart of this is its regular research on the Minimum Income Standard for the UK and the application of this benchmark to issues of policy and practice both nationally and locally.	The Trust provided funding towards research to update the Minimum Income Standard for London.	58,000	1	London-wide
Child Poverty Action Group	www.cpag.org.uk	CPAG aims to prevent and end child poverty by advocating evidence-based solutions to policy-makers and providing accurate information and advice so families can access the financial support they need.	The Trust provided funding towards a London Campaign Coordinator to research, design and encourage policy makers to adopt solutions to reduce child poverty and mitigate its negative effects in London.	200,000	3	London-wide

Organisation	Website	Description of Organisation	Description of Project	£	Years	Borough
Community Links Bromley	www.communitylinksbromley.org.uk	Community Links Bromley is the lead agency supporting the voluntary, community and social enterprise (VCSE) sector for Bromley. It gives a voice to the sector; provides support; and gives advice on organisational development for individuals and representatives from the sector.	The Trust provided funding for the salary of a Development Officer (Policy and Campaigning) to build skills for VCSE organisations to include policy work, influencing strategies, advocacy skills, lobbying and developing activism.	80,000	2	Bromley
Equality and Diversity Forum	www.edf.org.uk	EDF is an influential network of NGOs committed to making a reality of equality, human rights and social justice. It holds monthly meetings to share experience and engage with officials, inform policy, support the Equalities APPG, facilitate a research network, create capacity-building tools and provide strategic communications leadership.	The Trust provided funding to develop the capacity of London social justice organisations, with a focus on the Trust's grantees, to take a strategic approach to communications, effectively frame their work and build public support for human rights, equality and inclusion.	87,000	2	London-wide
Evelyn Oldfield Unit	www.evelynoldfield.co.uk	Evelyn Oldfield Unit supports vulnerable and excluded people from Black, Asian, Minority Ethnic and Refugee (BAMER) communities to improve their health, lives and skills whilst also delivering a second tier remit to build the capacity of groups that work with such communities.	The Trust provided funding to continue the development of "Research for Action and Influence" which supports BAMER groups to evidence need in their community, understand decision-making processes and use newly generated evidence to effect change, build influence and secure funding.	100,000	2	London-wide
Freedom From Torture	www.freedomfromtorture.org	Freedom from Torture provides dedicated, expert, holistic therapeutic and practical support to torture survivors to help them to rehabilitate and overcome their multiple and complex problems. It undertakes a wide range of policy advocacy activities to protect and promote the rights of torture survivors in the UK.	The Trust provided funding towards the costs of protecting and promoting the rights of torture survivors in London and the UK through a programme of policy advocacy, including survivor activism.	90,000	3	London-wide
Generation Rent	www.generationrent.org	Generation Rent works to give private renters a collective national voice, and, through development of local groups, influence over local government. Through this work it seeks to improve the lives of private renters by achieving reforms in security of tenure, standards of service from landlords and letting agents, and affordability.	The Trust provided funding for a full time post to carry out work following the 2016 Mayoral elections. This will focus on facilitating the involvement of private renters in decision-making in the London Assembly and with the new Mayor, with a view to achieving longer term tenancies and more secure rents.	96,000	2	London-wide

Organisation	Website	Description of Organisation	Description of Project	£	Years	Borough
Global Dialogue	www.global-dialogue.eu	Global Dialogue promotes human rights and social change by supporting innovative and collaborative philanthropy. From initiating exploratory conversations on emerging issues to managing large collaborative grantmaking programmes, Global Dialogue helps funders and philanthropists to give with intelligence and impact.	The Trust provided funding towards the co-ordination and administration costs of the Migration Exchange funder network and a contribution to learning activities that will help inform, connect and strengthen the approaches of those seeking to promote a fair and welcoming society for migrants and refugees in the UK.	15,000	2	London-wide
Groundswell UK	www.groundswell.org.uk	Groundswell works to enable homeless people to take more control of their lives and have a greater influence on services. It delivers a range of projects which engage homeless people in the solutions to homelessness; focusing on client involvement, peer research and health.	The Trust provided continuation funding to expand the Insight & Action project which captures learning from frontline work supporting homeless people to access healthcare and uses this to create and share practical solutions to reduce health inequalities.	76,800	2	London-wide
Ice and Fire	www.iceandfire.co.uk	ice&fire explores human rights stories through performance. Its approach to human rights is derived from principles underpinning all human rights in terms of, respect, equality and dignity for all individuals.	The Trust provided funding towards the Actors for Human Rights (AFHR) project to reach a broader London audience; forging relationships with statutory bodies or organisations and producing eight podcast episodes highlighting the voices of people with lived experience of poverty and disadvantage.	60,000	2	London-wide
Inquest Charitable Trust	www.inquest.org.uk	Inquest focuses on deaths in custody and state detention, or deaths as a result of multi-agency and/or state failings. It combines specialist casework with policy and campaigning. Underpinning its work is empowerment of families to enable them to effectively participate in the legal process and ensure their voices are heard.	The Trust provided continuation funding to support bereaved families following deaths in all forms of state detention and to conduct related policy and campaign work to improve the investigation and inquest process and secure greater public and policy awareness.	150,000	3	London-wide
Liberty - National Council for Civil Liberties	www.liberty-human-rights.org.uk	Liberty protects civil liberties and human rights in the UK. It campaigns to protect the values of individual human dignity, equal treatment and fairness as part of a democratic society.	The Trust provided continuation funding for the Save Our Human Rights campaign. Through combined media, legal, policy and public campaigning, it will influence policy at the highest levels to ensure the Human Rights Act is not repealed. Beyond this, the project will deepen and widen support for human rights.	50,000	1	London-wide

Organisation	Website	Description of Organisation	Description of Project	£	Years	Borough
London Gypsy and Traveller Unit	www.lgtu.org.uk	LGTU supports London's Gypsies and Travellers to influence decisions affecting their lives, to improve their quality of life and the opportunities available to them, and to challenge the discrimination they routinely experience.	The Trust provided funding towards salaries of staff and running costs to increase social inclusion and strengthen the voice of London's Gypsy and Traveller community to address the causes of inequality they face including challenging discrimination and prejudice.	75,000	2	London-wide
London Sustainability Exchange	www.lsx.org.uk	LSx is a "think and do" charity which creates collaborations that address the complex barriers to a sustainable London. Its projects provide action-based community development and research to develop, and in turn share, the lessons from its work across London, and most importantly, influence London's policies for a sustainable future.	The Trust provided funding to support community groups to undertake work on improving air quality in London, particularly at a local level.	40,000	2	London-wide
Monitoring Group	www.tmg-uk.org	The Monitoring Group provides advice, casework and trauma therapy services for victims of racism and State misconduct; advocating for positive operational response, strategic reviews and new learning by relevant authorities. It also provides training, organises public interest campaigns, and works with hard to reach communities.	The Trust provided funding towards a project to improve and help victims of racial violence in London receive - through casework support and working with the Metropolitan Police Service & CPS. The project also aims to advocate and contribute to establishing a more strategic response to race hate crime in London.	50,000	1	London-wide
New Economics Foundation	www.neweconomics.org	NEF is an independent think tank promoting social justice, environmental sustainability and a fair economic system. It works in partnership with others to identify, research and solve economic, social and environmental problems with interventions at all levels from local to international.	The Trust provided funding for NEF to develop a new model of childcare in England that improves economic and social outcomes for parents, children and childcare workers. It was funded for a development phase to test the feasibility of parent-led childcare co-operatives in London in meeting the needs of low-income families.	29,700	1	London-wide
New Economy Organisers Network	www.neweconomyorganisers.org	NEON is an independent network of over 1000 activists, originally founded by NEF, working towards an economy and politics based on social and environmental justice. Its members come from across civil society (grassroots groups, trade unions, NGOs etc). It runs trainings, share skills and ideas and collaborates on campaigns.	The Trust provided continuation funding for a programme to substantially boost the capacity of activists campaigning on London issues to campaign more effectively for social and economic change, using a selection of training, coaching and strategy mentoring.	105,000	3	London-wide

Organisation	Website	Description of Organisation	Description of Project	£	Years	Borough
New Policy Institute	www.npi.org.uk	NPI is a progressive think tank that carries out research to inform public policy and debate. It learns from those with direct experience then looks for official evidence of social and economic changes before they are widely known.	The Trust provided funding towards the London's Poverty Profile report, including consultation, research, website support and dissemination.	57,700	1	London-wide
Platform-London	www.platformlondon.org	Platform London combines campaigning, research, education and creative work to build social and environmental justice, with a particular focus on energy. It works to address London's responsibilities as a financial and fossil fuel capital, and creates positive solutions for a just and sustainable future.	The Trust provided funding towards advocacy work to ensure the Mayor of London's new Energy for Londoners supply company reduces fuel poverty. This includes by cutting bills, retrofitting homes and ensuring those in fuel poverty are able to shape the new company.	34,000	2	London-wide
Policy in Practice	www.policyinpractice.co.uk	Policy in Practice aims to make government policy simple to understand, particular in relation to welfare reform. It helps organisations to bridge the gap between policy development and its implementation by combining policy insight with practical frontline experience and technological expertise.	The Trust provided funding towards a research project which will use household-level data to conduct a London-wide analysis of the cumulative impact of welfare reforms on low income Londoners. This will help London boroughs, the Mayor's Office and GLA to understand who will be impacted by reforms, better target support and understand the drivers of poverty.	106,000	2	London-wide
Race on the Agenda - ROTA	www.rota.org.uk	Rota exists to create a more equal society for people who experience race inequality in London. It supports and builds capacity of Black, Asian, and Minority Ethnic (BAME) communities to become involved in developing and delivering education, health, community development and criminal justice programmes.	The Trust provided funding towards the salary of ROTA's Chief Executive and some related overheads. This core funding will allow ROTA to continue promoting racial justice and support London's BAME organisations to provide effective services as well as supporting strategic race equality work in collaboration with the Coalition for Racial Equality.	70,000	2	London-wide
RAMFEL - Refugee and Migrant Forum of Essex and London	www.ramfel.org.uk	RAMFEL provides a range of support, services and capacity building to asylum seekers, migrants, refugees and the organisations that support them.	The Trust provided funding towards the salary of the CEO to support RAMFEL's advocacy and campaigning work in order to challenge public and institutional hostility, prejudice and discrimination towards migrant and refugee communities.	90,000	3	London-wide
Roma Support Group	www.romasupportgroup.org.uk	Roma Support Group is the only Roma-led charity in London. It supports Roma families to access welfare, housing, education, health and employment, runs a range of advocacy and cultural programmes and also campaigns to influence public policy and practice for the Roma community, at local, national and European levels.	The Trust provided funding towards the salary of a full time Advocacy & Campaigning Coordinator, who will lead on facilitating Roma peer advocacy in London to ensure that Roma refugees and migrants participate in decision-making processes and influence policy and practice.	60,000	3	London-wide

Organisation	Website	Description of Organisation	Description of Project	£	Years	Borough
Sustain: The Alliance for Better Food and Farming	www.sustainweb.org	Sustain: The alliance for better food and farming advocates food and agriculture policies and practices that enhance the health and welfare of people and animals, improve the working and living environment, enrich society and culture and promote equity.	The Trust provided continuation funding for the Beyond the Food Bank in London project, which will provide a roadmap of effective policies to reduce food poverty. It will include work with local authorities and key stakeholders to implement strategic and affordable actions to tackle food poverty in the capital.	84,950	2	London-wide
Taxpayers Against Poverty	www.taxpayersagainstopoverty.org.uk	TAP broadcasts accurate information about poverty in the UK and corrects misinformation. It campaigns and speaks out with and for the poorest residents of London against inadequate incomes, debt and hunger and for affordable housing and a fair link between tax and benefits by challenging local and national government.	The Trust provided funding for social and national media campaigning to highlight injustices; lobbying parliament and relevant national institutions; identifying national issues with cases of people claiming benefits in Haringey and other boroughs, who qualify for legal aid; undertaking legal challenges with legal aid solicitors, bar pro bono unit and barristers, co-operating with NGOs.	30,000	1	London wide
Third Generation Environmentalism Limited	www.e3g.org	E3G's mission is to tackle climate change by accelerating the transition to a low carbon economy. It specialises in energy policy, fuel poverty, climate diplomacy, climate risk and climate finance. It seeks to develop socially just policy and financial solutions which can be replicated and have a transformational impact.	The Trust provided continuation funding towards advocacy work to increase Government support for an ambitious energy efficiency programme, including allocation of national infrastructure funds by 2020.	75,000	3	London-wide
Voluntary Action Camden	www.vac.org.uk	VAC is Camden's Council for Voluntary Service. It is an independent charitable organisation and its mission is to work with the people of Camden to support, develop and promote voluntary and community activity.	The Trust provided funding to continue its support of disadvantaged community groups in Camden neighbourhoods where inequalities are being exacerbated by market led housing development. The project will support residents and community groups to conduct an Environmental Justice Enquiry, promote the effective use of public land and other assets to build healthy, sustainable neighbourhoods.	67,000	2	Camden

Africa Advocacy Foundation	www.africadvocacy.org	Africa Advocacy Foundation promotes better health, education and other opportunities for disadvantaged people through practical support, advocacy, information, advice, guidance and training.	The Trust provided continuation funding for the Sacred Bodies Project. This will equip frontline professionals with knowledge, skills and confidence to respond appropriately and effectively to Female Genital Mutilation (FGM) cases in South London. It will strengthen collaboration between statutory and community FGM prevention and support services leading to better detection, risk assessment and reporting of FGM.	60,000	2	London-wide
Camden People First	www.camdenpeoplefirst.org.uk	Camden People First is a user-led organisation for adults with learning difficulties that empowers people with LD to obtain their rights and access to services through self-advocacy.	The Trust provided funding to support people with learning disabilities (PWLD) to provide disability hate and hate crime awareness workshops to their peers, plus awareness training to key services used by PWLD. It will also continue to act as a third party reporting agency and provide ongoing case-work support to victims.	71,000	2	Camden

Organisation	Website	Description of Organisation	Description of Project	£	Years	Borough
End Violence Against Women (EVAW)	www.endviolenceagainstwomen.org.uk	EVAW is a policy and campaigns member organisation whose purpose is to lobby all levels of Government to improve their policy and practice on violence against women and girls (VAWG), and to influence and shape public attitudes towards VAWG so that there is a better mandate for tackling it.	The Trust provided funding for a new part-time policy and advocacy manager post. This will help to deliver planned campaigning at national and London level; ensure effectiveness at London government level; and improve the training offer to member organisations.	90,600	3	London-wide
Family Rights Group	www.frg.org.uk	FRG works with families whose children are in need, at risk or in the care system, advising them about their rights and options when social workers or courts make decisions about their children's welfare. We champion policies and practices, including family group conferences, that keep children safe within their family.	The Trust provided funding for a continuation project that improves the experiences of families experiencing domestic abuse by: providing training/on-line support for London's voluntary sector domestic violence workers to effectively advise/advocate for mothers in the child protection system; embedding good practice in 'demonstrator' councils working with such families; campaigning to improve child welfare policies and practice.	90,000	3	London-wide
Galop - Lesbian Gay and Bisexual Anti Violence and Policing Group	www.galop.org.uk	Galop is London's LGBT anti-violence and abuse charity which has experience of providing specialist support to LGBT victims of hate crime. It also provides the only pan London service for LGBT victims of domestic abuse and sexual violence and campaigns for the rights of the LGBT people.	The Trust provided funding towards work on Trans* victims of violence, abuse and discrimination including influencing policy to change the way Trans* victims/witnesses are treated in the criminal justice system; remove barriers to justice; and improve access to services.	90,000	3	London-wide
IMKAAN	www.imkaan.org.uk	Imkaan is a London-based, national second-tier women's organisation dedicated to addressing violence against Black and minority ethnic (BME) women and girls.	The Trust provided continuation funding for policy and strategic advocacy activities which aim to shift public policy (and programming) around violence against Black and minoritised women and girls, and the specialist organisations which support them. Key areas of focus are: sexual violence, housing, mental health, the criminal justice system and commissioning.	80,000	2	London-wide
Inclusion Barnet	www.inclusionbarnet.org.uk	Inclusion Barbet is a deaf and disabled people's organisation that provides peer-led services, including information, brokerage, advocacy and support; and aims to give local disabled people a collective voice to influence local policy and planning. It has a commitment to peer-led research that demonstrates the value of peer-led services.	The Trust provided funding towards a user led approach to addressing disability hate crime in Barnet.	70,000	2	Barnet

Organisation	Website	Description of Organisation	Description of Project	£	Years	Borough
Iranian and Kurdish Women's Rights Organisation	www.ikwro.org.uk	IKWRO exists to safeguard and support women and girls from Middle-Eastern and North-African and Afghan communities (MENA) at risk of "honour" based violence (HBV), child and forced marriage, marital captivity, FGM and domestic abuse through refuge, right-based advice, advocacy, counselling, and training.	The Trust provided funding towards its campaigning and policy work to ensure decision makers agree policies that provide improved access and quality of services for victims of harmful practices.	70,000	3	London-wide
Khulisa	www.khulisa.co.uk	Khulisa aims to break cycles of crime and violence by helping people to change their lives. Its creative programmes draw on the heritage of its sister charity in South Africa, Khulisa Social Solutions, that has pioneered restorative justice and conflict resolution work.	The Trust provided funding to pilot Tug of War, a programme developed in South Africa, that is designed to facilitate better communication, conflict resolution, violence-reduction and decision-making skills for young people and their parents or carers.	45,000	2	Waltham Forest
Manor Gardens Welfare Trust	www.manorgardenscentre.org	The Manor Gardens Centre is a health and social care community hub in Islington that helps people change their lives, share their stories and influence the world. Responding to changing needs, it provides a range of services that make a difference to local people and improve their health and wellbeing.	The Trust provided funding to develop and implement an effective and multiagency response to FGM across Islington. Working with statutory bodies, non-statutory services and communities, it will ensure that girls and women affected by FGM are safeguarded and supported. Good practice and learning will be disseminated through the pan-London FGM Forum.	60,000	2	Islington
Nia Project	www.niaendingviolence.org.uk	Nia delivers local and regional services to end violence against women and children. It aims to identify and meet unmet need, ensure high quality services and identify innovative models to deliver effectively for service users.	The Trust provided funding towards a project to challenge the criminalisation of women involved in prostitution through campaigning, policy and strategic litigation, with a particular focus on the treatment of prostitution-related offences under the Disclosure & Barring Service.	49,000	2	London-wide
On Road Limited	www.onroadmedia.org.uk	On Road changes the way marginalised communities are represented and portrayed by the media, bettering the lives of those groups and how they are treated by society. On Road improves the way institutions, like schools and hospitals, understand and treat marginalised communities by using media, technology and targeted, creative interventions.	The Trust provided funding to challenge the current views held around sexual assault, domestic violence, and consent, and help to create a new common sense, leading to a better understanding of the crimes, their perpetrators and leading to increased conviction rates.	55,000	2	London-wide

Strategic Legal Fund

Organisation	Website	Description of Organisation	Description of Project	£	Years	Borough
Advice on Individual Rights in Europe - The Aire Centre	www.airecentre.org	The AIRE Centre is a legal charity that specialises in European law.	The SLF provided funding to continue the research into the implementation of Operation Nexus, collecting further data on the impact on young EEA nationals and their families, and expanding its research outside of London, to develop arguments that the practices under Operation Nexus are discriminatory and therefore infringe EU law and the ECHR.	5,640	1	London-wide
Anti-Trafficking and Labour Exploitation Unit	www.atleu.org.uk	ATLEU provides a nationally focused, dedicated and comprehensive service to victims of trafficking with multiple needs. ATLEU uses strategic casework and campaigning to develop the law to protect victims, and helps victims to access justice; obtain safety, recovery, redress; break cycles of exploitation; and recover from physical and psychological injury.	The SLF provided funding to carry out pre-litigation research and develop a litigation strategy regarding: the access of victims of trafficking and modern slavery to the Criminal Injuries Compensation Authority (CICA) Scheme; and the Scheme's compliance with the UK's obligations with a view to improving access to compensation for trafficked children in particular.	10,267	1	National
Asylum Aid	www.asylumaid.org.uk	Asylum Aid is a leading immigration and asylum rights advocate.	The SLF provided funding to cover costs of pre-litigation research and preparing a detailed proposal for strategic litigation in relation to the good character requirement for children/young people applying to register as British citizens. This requirement presents a significant and growing obstacle to registration for undocumented young people aged 10 or over.	14,260	1	National
ASIRT (Asylum Support and Immigration Resource Team)	www.asirt.org.uk	ASIRT is an OISC regulated not for profit organisation which provides free advocacy support and legal representation to undocumented migrants in the West Midlands. The majority of our work relates to the submission of representations helping to regularise the immigration statuses of families with children.	The SLF provided funding to research the impact of the Home Office's policy of granting 30 months leave to remain to children resident in the UK for periods in excess of seven years, and who have been accepted to meet the requirements of paragraph 276ADE(iv) of the Immigration Rules.	13,775	1	National
Child Poverty Action Group	www.cpag.org.uk	CPAG is a national charity working to end child poverty in the UK.	The SLF provided funding to investigate the merits and gather evidence for a judicial review challenge to the two child limit in the Welfare Reform and Work Act 2016.	7,800	2	National

Organisation	Website	Description of Organisation	Description of Project	£	Years	Borough
Coram Children's Legal Centre	www.childrenslegalcentre.com	CCLC, part of the Coram group of charities, is an independent charity working in the UK and around the world to protect and promote the rights of children through the provision of legal services, the publication of free legal information, research and policy work, law reform, training on child rights.	The SLF provided funding towards work with many children who are British but cannot prove it because they cannot prove paternity through their absent British fathers. This pre-litigation research will enable it to review our strategy for a concerted push on the rights of these children.	4,000	1	National
Deighton Pierce Glynn Solicitors	www.dpglaw.co.uk	Deighton Pierce Glynn is a civil rights and judicial review litigation firm. It has expertise in a number of areas including housing, destitution and social services, international law and corporate responsibility, failures to protect, discrimination and equality; and detention and deprivation of liberty.	The SLF provided funding to prepare a strategic legal challenge against the May 2016 Home Office policy on 'Administrative removals of EEA nationals' as this has introduced 'rough sleeping' as an abuse of rights to freedom of movement.	9,050	1	National
Greater Manchester Immigration Aid	www.gmiau.org	Greater Manchester Immigration Aid provides immigration legal advice and representation to people in need in the North West of England.	The SLF provided funding to research and develop legal arguments about the impact of Home Office fees policy on low income families with migrants.	9,980	1	National
Islington Law Centre	www.islingtonlaw.org.uk	Islington Law Centre aims to reduce poverty by providing legal advice, casework, and representation to the local community; to empower people to understand their rights; to work in partnership to ensure clients benefit from a range of support; to use its expertise to change policy, practice and the law.	The SLF provided funding to further develop litigation to force the UK to comply with its obligations in relation to separated children currently in the 'Jungle' in Calais, to join their family members in the UK. There is potential to utilise this learning for children elsewhere in Europe.	29,175	2	National
Joint Council for the Welfare of Immigrants	www.jcwi.org.uk	JCWI is an independent national charity established to promote justice and fairness in immigration and asylum law and policy. It provides direct legal advice and assistance to those who are affected by the unfairness of the UK's immigration control and actively lobbies and campaigns for changes in law and practice.	The SLF provided funding to intervene jointly with the Office of Children's Commissioner in the case of MM (Lebanon) & Ors which will be heard in the Supreme Court on 22nd February 2016. This is a case which challenges the minimum income requirements under the Family Migration Rules.	11,500	3	National
Joint Council for the Welfare of Immigrants	www.jcwi.org.uk	JCWI is an independent national charity established to promote justice and fairness in immigration and asylum law and policy. It provides direct legal advice and assistance to those who are affected by the unfairness of the UK's immigration control and actively lobbies and campaigns for changes in law and practice.	The SLF provided funding to further investigate and gather evidence of unlawful discrimination caused by the Landlord Checks scheme.	18,130	1	National

Organisation	Website	Description of Organisation	Description of Project	£	Years	Borough
Joint Council for the Welfare of Immigrants	www.jcwi.org.uk	JCWI is an independent national charity established to promote justice and fairness in immigration and asylum law and policy. It provides direct legal advice and assistance to those who are affected by the unfairness of the UK's immigration control and actively lobbies and campaigns for changes in law and practice.	The SLF provided funding to conduct pre-litigation work to prepare a judicial review challenging the introduction of landlord checks.	12,400	3	National
Legal Services Agency		Legal Services Agency is Scotland's largest law centre tackling the unmet legal needs of those in disadvantage. It has done so for 26 years through the provision of legal advice, representation in courts/tribunals, research, publications, seminars and education.	The SLF provided funding for pre-litigation research into impact of the forthcoming Immigration Act in Scotland. This will help fill knowledge gaps on legal and inter-governmental issues stemming from both this impact and legislative approach with this Bill, relating to Scotland. It may also enable legal challenges to mitigate negative impacts on vulnerable young migrants.	8,560	1	National
Public Law Project	www.publiclawproject.org.uk	PLP is a charity which aims to improve access to public law remedies for those whose access to justice is restricted by poverty or some other form of disadvantage. PLP has three main objectives: <ul style="list-style-type: none"> • increasing the accountability of public decision-makers • enhancing the quality of public decision-making; • improving access to justice. 	The SLF provided funding for pre-litigation research: evidence-gathering to investigate whether the removal window policy and the 72 hour notice period allows adequate access to legal advice and access to the court.	10,700	1	National
Simpson Millar LLP		Simpson Millar is a UK law firm providing a wide range of legal services.	The SLF provided funding for pre-litigation research which will: <ol style="list-style-type: none"> assist towards creating a presumption that a child Victim of Torture (VOT) who goes missing when there is a credible suspicion that he/she is a victim of VOT has been re-trafficked; look at the legal obligations of State bodies towards this client group and at current failings. 	22,870	1	National
Strategic Legal Fund for Vulnerable Young Migrants			The SLF commissioned an independent evaluation of phase 3 of the Strategic Legal Fund of Vulnerable Young Migrants.	4,000	1	National
